## VIDYA NIKETAN SAMITI (VNS)

### VISION

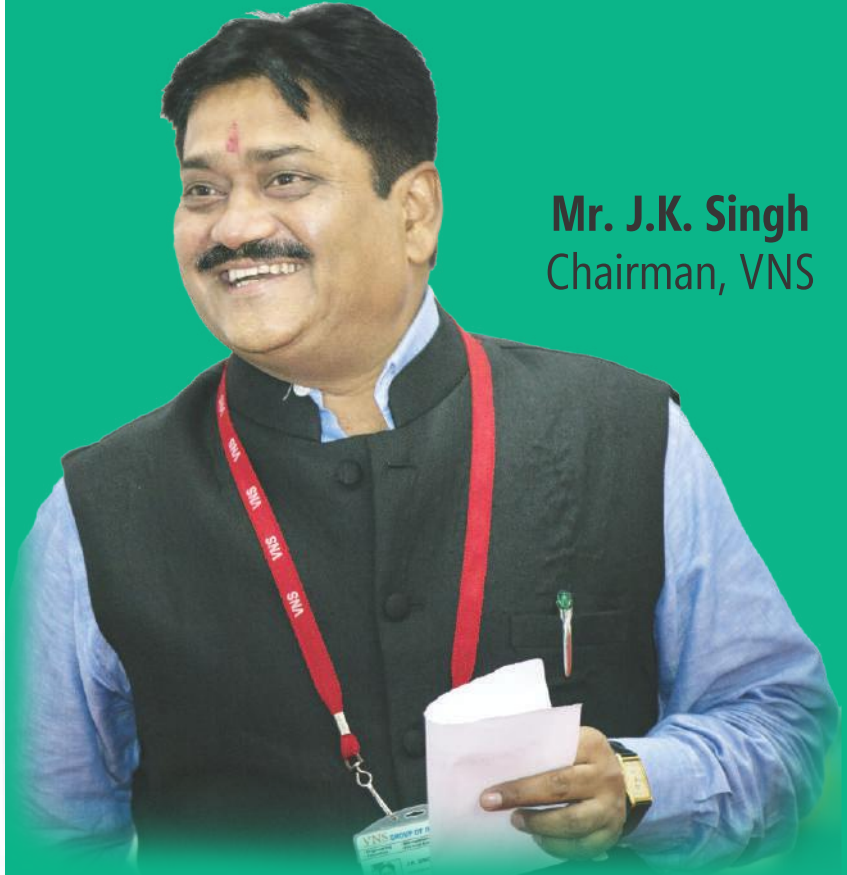

To be known as an institute for its excellence in education by producing individuals who are technically sound, ethically strong and self-reliant.

### MISSION

- Impart quality education enriched with contemporary knowledge.
- Develop employability skills through corporate synergy activities.
- Strengthen innovative thinking by facilitating research.
- Nurture and confirm discipline, ethical values through individual attention.

## FROM THE DESK OF CHAIRMAN

**Mr. J.K. Singh**  
Chairman, VNS

Vidya Niketan Samiti (VNS ) was established in 1994 with objective of imparting quality technical and professional education in central India. VNS is a unique place for nurturing talents with its green sprawling campus over 24 acres amidst the city of lakes, Bhopal.

Technical Education plays a vital role in Human Resource Development of the country by creating skilled workforce, enhancing industrial productivity and narrows the digital divide between theory and application and to improve the quality of life in techno-driven Country.

Growth is directly proportional to effort. To improve is to change; to be perfect is to change often. VNS acts like a change agent to prepare students well to meet up challenges coming forth.

In the context of new global economy VNS is preparing youth to harness India's demographic dividend. VNS is committed to provide quality teaching focused on our mission to promote excellence in education.

It is a unique place because it is dedicated to nurturing of teachers by providing a congenial environment for teaching and learning and further who in-turn helps in nurturing many generations of young minds.

Best Wishes
