

### Consultancy Facility Charges

Sr. No.	Facility	Student Charges (INR)	Organization charges (INR)
1	HPLC	200/injection	250/injection
2	Particle size analysis	250/sample	300/sample
3	Zeta Potential	250/sample	300/sample
4	Particle size + Zeta potential	400/sample	500/sample
5	Lyophilization	450/day	600/day
6	Sonication	50/sample	75/sample
7	FTIR	150/Sample	200/Sample
8	Dissolution		
	a. Conventional tablets	500	750
	b. Sustained release	1500	2000
9	Disintegration	300/study	500/study
10	Digital Plethysmometer	500/study	1000/study
10	Tablet punch machine	300/hr*	
11	Soxhlet extraction	250/day <sup>#</sup>	
12	Maceration	100/day <sup>#</sup>	

\*Tablet machine charges may vary as per number of tablets need to be formulated.

<sup>#</sup>Solvent charges are not included

<sup>^</sup>Animal facilities are also available, subjected to due permission from Institutional animal ethical committee.
